RE: 2013 ETCC Invite – please send volunteers from your chapter

The 2013 European Tree Climbing Championship in Thun, Switzerland is in the planning stages. The committee is making final arrangements and we are looking for volunteers for judges, technicians and scorers to help run the event. This year the competition will be held on **Saturday and Sunday September 7th and 8th** with set up on Thursday and Friday September 5th and 6th

We appreciate the support that your chapter/associated organization has provided in the past and know that without you the event would not be what it is today. We welcome participation from anyone who is interested, even if they are newcomers. Your organization's support will be greatly appreciated not only by the committee but also by the competitors.

If you will please send your list of volunteers for judges, technicians and scorers along with their completed Volunteer Forms (attached) to me via email at j-coles@online.no it would be greatly appreciated. You may also contact me at +47 91796771 for any questions or to be added to the volunteer list. To help us organize the judging teams in a timely manner, please submit your list and completed volunteer forms no later than **June 30th, 2013**.

Again I thank you for your help and support. We're looking forward to another great event. Please remember to climb and travel safely!

Sincerely
